

# Schießspiel

| Aufgabe:   | Punkte |     |     |     |     |     |     |     |     |     | Name: | Punktzahl: | Name: | Punktzahl: | Name: | Punktzahl: | Name: | Punktzahl: |
|--|--------|-----|-----|-----|-----|-----|-----|-----|-----|-----|-------|------------|-------|------------|-------|------------|-------|------------|
|  | 0      | 1   | 2   | 3   | 4   | 5   | 6   | 7   | 8   | 9   |       |            |       |            |       |            |       |            |
| 1 Schuß  |        | =7  |     | =8  |     | =9  |     |     |     |     |       | =10 Ringe  |       |            |       |            |       |            |
| 5 Schuß  |        | =41 | =42 | =43 | =44 | =45 | =46 | =47 | =48 | =49 |       | =50 Ringe  |       |            |       |            |       |            |
| Anzahl Schüsse ohne Acht                               |        | =1  | =2  | =3  | =4  | =5  | =6  | =7  | =8  | =9  |       | =12 Schuß  |       |            |       |            |       |            |
| Anzahl Zehnen bei 10 Schuß                             |        | =1  | =2  | =3  | =4  | =5  | =6  | =7  | =8  | =9  |       | =10 Zehner |       |            |       |            |       |            |
| 10 Schuß   |        | =80 | =82 | =84 | =86 | =88 | =90 | =92 | =94 | =96 |       | =98 Ringe  |       |            |       |            |       |            |
| 1 x eine Zehn  |        | =8  | =7  |     | =6  |     | =5  | =4  | =3  | =2  |       | =1 Versuch |       |            |       |            |       |            |
| zweimal 5 Schuß besser als                             |        | =41 | =42 | =43 | =44 | =45 | =46 | =47 | =48 | =49 |       | =50 Ringe  |       |            |       |            |       |            |
| 2 Schuß  |        | =11 | =12 | =13 | =14 | =15 | =16 | =17 | =18 | =19 |       | =20 Ringe  |       |            |       |            |       |            |
| Mit zwei Schuß = 20 Ringe                              |        | =8  | =7  |     | =6  |     | =5  | =4  | =3  | =2  |       | =1 Versuch |       |            |       |            |       |            |
| Wiederholung der Aufgabe mit der niedrigsten Punktzahl |        |     |     |     |     |     |     |     |     |     |       |            |       |            |       |            |       |            |
